The mission of Goldsboro Parks and Recreation is to provide a variety of recreation and leisure activities for a diverse population. We maintain a system of parks, indoor facilities and open spaces for the enjoyment, safety, and well being of all citizens.

Goldsboro Parks and Recreation does not believe in denying a child the opportunity to experience programs because of inability to pay. Check with our main office at Herman Park Center for information on possible assistance with program payments.

FootGolf is a new sport that combines soccer and golf. To play, players use a soccer ball on a traditional golf course. Cups are 21 inches in diameter. The rules are very similar to golf.

The Goldsboro Municipal Golf Course is not your everyday municipal. Built in 1941, the golf course was completely renovated in 1999 under the supervision of renowned golf course architect John LaFoy. The renovated course features large "Champion" Bermuda greens which average over 6,000 square feet each, 419 Bermuda fairways and concrete cart paths. Goldsboro Municipal Golf has the best practice facility in the Wayne County area. With 9 practice mats, 20 station grass hitting area, practice bunker, chipping green, 4 strategically placed target greens all with laser shot exact distances, golfers of all levels can improve their game.
