Speaker: Christal Smith, Farm Credit Farmer's Market Manager

" Born and raised in Florida, Mrs. Smith moved to North Carolina at the age of 18. and at some point in her early adulthood, she realized the impacts that her everyday life has on this beautiful Earth. At 21, she began to garden, build a hobby farm, while reducing her carbon footprint with recycling, sustainable purchases, etc. God always has a plan, and through the years He has led her to become a larger part of the agriculture community. She enjoys passing on the knowledge to whoever will listen! "

"Life's a Beach" Senior dance will be held on Thursday, August 17th from 6-9pm at the Peggy Seegars Senior Center (2001 E. Ash St). Free! (Seniors 55 and older) Wear your beach attire, and join us to dance the night away. DJ Linda Wildhearts will provide the tunes. Light refreshments will be served, however, feel free to bring refreshments for your table.
