

Wayne County Senior Games

**In Wayne County, where the fields are wide,
The senior games bring joy and pride.
With hearts still strong and spirits bright,
They gather in the soft sunlight.**

**On tracks and courts, they show their grace,
In every stride, a steady pace.
From swimming lanes to the ball's swift spin,
Each event is where they'll win.**

**The wisdom earned through years well-spent
Finds strength in every muscle bent.
The laughter shared, the stories told,
In Wayne County, they never grow old.**

**In every cheer, in every smile,
They make the most of every mile.
The medals earned, not just of gold,
But memories, both new and old.**

**So, here's to the seniors, proud and true,
In Wayne County, they always shine through.
With each game played and victory gained,
A testament to the love they've maintained.**
